

CERTIFICATE OF CONFORMITY**REG2-0004-03 - ZGPro - 1842**

In compliance with Articles 7 and 25 of the Law on Construction Products, (Official Gazette of the Republic of Slovenia No. 52/00) and Slovenian Technical Approval STS-12/0012, relating to the certification of construction products, it has been stated that the construction product

hot rolled ribbed reinforcing steel in bars,**grade B 500B, fi 8 - fi 20 mm**

for the reinforcing of concrete structures

placed on the market by

ALFA ACCIAI S.p.A.**Via San Polo 152, 25134 Brescia, Italy**

and produced in the factory

ALFA ACCIAI S.p.A.**Via San Polo 152, 25134 Brescia, Italy**

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with the prescribed test plan and that the designated certification body, the Slovenian National Building and Civil Engineering Institute (ZAG Ljubljana), has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assesment and approval of the factory production control and an audit-testing of samples taken at the factory, on the market or at the construction site.

This certificate attests that all the provisions concerning the attestation of conformity and the performances described in the

STS-12/0012, valid from 30.04.2012 to 29.04.2017

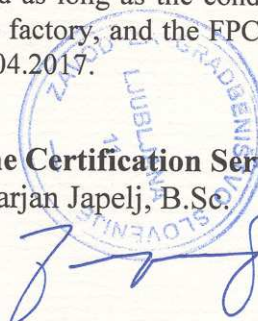

were applied and that the product fulfills all the prescribed requirements.

This certificate was first issued on 25.07.2012 and shall remain valid as long as the conditions laid down in STS-12/0012, as well as the manufacturing conditions in the factory, and the FPC itself, are not significantly modified. It shall in any case cease to be valid on 29.04.2017.
